Welcome to Summer Day Camp!

Since its humble beginnings in 1976 with a single-day camp, WDSRA has grown into a thriving program, offering a variety of camps and activities for countless participants and staff members.

Our goal is to provide a welcoming and engaging environment where campers can develop essential skills, including social interaction, motor coordination, and community involvement—all while having fun!

This summer, campers can look forward to action-packed days filled with sports, games, creative arts, swimming, exciting field trips, and more. With so many enriching experiences planned, Summer 2025 is sure to be unforgettable!

Our dedicated staff members are carefully selected based on their experience in recreation, ability to adapt activities to individual needs, and passion for working with children and young adults with disabilities. Additionally, all WDSRA employees undergo thorough background checks to ensure a safe and supportive environment.

We are excited to offer a range of camp options for Summer 2025. Some formats have been updated, so please review the options to find the best fit for your child.

If you have any questions, feel free to reach out to me or connect with a Program Supervisor overseeing your child's camp. We can't wait to share another summer of fun, learning, and friendship!

Sincerely,

Emily Ackerman

WDSRA Weather Policy

In the event of severe weather, WDSRA may decide to cancel programs in the best interest of our participants. The following guideline will be used to determine cancelations:

Severe Summer Weather: outdoor programs or indoor sites without air conditioning, temperature above 95 degrees, a heat index above 100 degrees, or a heat advisory issued by the National Weather Service.

Illness Guideline

To prevent the spread of illness, it is recommended that participants not attend WDSRA programs when any of the following conditions exist:

- Fever over 100 degrees
- Vomiting within the last 24 hours
- Persistent diarrhea
- Persistent cough and cold symptoms
- Conjunctivitis (pink eye)
- Symptoms of mumps, measles chickenpox, strep throat, flu, impetigo, or hand, foot, or mouth disease
- Lice or mites present
- Contagious rash or rash of unknown origin

If these symptoms are present at the camp, you will be contacted immediately to make arrangements for pick-up.

Mandated Reporters

The State of Illinois legally mandates WDSRA staff members to report any reasonable cause to suspect child abuse or neglect in DCFS. Staff members are trained in signs and symptoms of abuse and neglect and the procedure for making a report.

Canceling Programs

WDSRA staff will look at all circumstances when determining whether or not to cancel camp or a field trip. If the camp or field trip is canceled, you will be notified through epact by receiving a text, voice message, and email.

If camp is canceled, you will be issued a refund for that day of camp.

Special Information

ePACT

WDSRA utilizes ePACT to securely collect health and emergency contact information for our participants. If you are registering for programs for the first time since Fall 2023, you will need to contact the front office to set up a household account. You then will be invited to enroll and update your participants information through ePACT. Watch your email for the invitation, which may take approximately one week. Follow the prompts to create your account. With ePACT, you only need to complete your child's information once. Then, you must verify that the information is correct every year. Need to make a change? You can make changes at any time. We'll be notified of your updates directly from ePACT.

Say Cheese

WDSRA staff occasionally takes photographs or videos of participants for promoting/advertising our programs, services, events, activities, and facilities in our brochures, website or social media, and other promotional avenues. By registering for, participating in, or attending WDSRA programs, events, or other activities, the participant (or parent/guardian of a minor participant) irrevocably agrees to the use and distribution by WDSRA of his or her image (or of his minor child/ward) in photographs, video recordings, and any other electronic reproductions of such programs, events, and activities for any purpose without inspection or approval and without compensation, rights to royalties or any other consideration now and in the future.

Out of District Policies

Families living outside a WDSRA Park District member district and belonging to a neighboring SRA are welcome to register in WDSRA programs during the out-of-district registration time frame. This would apply to NEDSRA, FVSRA, NWSRA, and SEASPAR residents.

If you live within a community with a Park District that does not belong to a Special Recreation Association a 50% fee will be assessed per program.

If you live in a community without a Park District or in an unincorporated area that falls outside of the Park District boundaries, a 50% fee will be assessed per program. An example of this would be Wayne residents and some parts of West Chicago.

Program Policies

When arriving at/departing from a program, parents are asked to check in with the staff person in charge of the program before leaving your child. WDSRA staff is not responsible for the supervision of participants who arrive prior to the start of the program. Also, if a participant is to be picked up by an unfamiliar guardian, neighbor, babysitter, etc. the parents are asked to notify the WDSRA staff Supervisor in charge of the program prior to the occurrence.
